

# Gogo Inflight CDR Update

VERSION 1.0, MARCH 2013

## Introduction

Beginning in May 2013, all Gogo Inflight Call Detail Records will become part of the monthly CDR (cdr.html). As a result, there will no longer be a separate CDR for Gogo Inflight (INFLIGHT\_CDR.html).

## Sample

A sample CDR is included below (for illustrative purposes only) showing how the Gogo Inflight records will show up in the monthly CDR. Notice that the Description field (circled in red below) clearly indicate inflight records, including "Inflight (Gogo)" and in some cases the flight number and originating airport.
